

Daedalus Vision Review

An aerial photograph of the Fareham Borough Council grounds. The image shows a large, green, rectangular area in the center, which appears to be a sports field or a large open space. To the left and right of this central area are various buildings, parking lots, and roads. The surrounding area is a mix of green fields, trees, and residential or commercial buildings. The overall scene is a well-maintained and organized facility.

New Vision for Daedalus

Provide new commercial buildings for employment opportunities

New Vision for Daedalus

More community facilities including a heritage facility, Daedalus Common, play facilities and a gate guardian

New Vision for Daedalus

Improved airport infrastructure, including runway lights to increase safety for pilots and the Marine and Coastguard Agency, aircraft parking and navigational equipment to aid pilots with precision landing approaches

New Vision for Daedalus

Consider expansion opportunities at the airport
