## We're still here for you

Citizens Advice Fareham has been advising residents since 1942 and, despite the lockdown, we're still here to help.

The effects of the Coronavirus pandemic are far reaching with many facing personal and financial hardship. Many of these issues could continue even when 'normal life' resumes.

So, if you have concerns and you think you will need help in the coming months, please get in touch today.

Money  
worries

Debt
