COMMUNITY HELP

BRIDGING THE GAP

Are you finding it hard to make ends meet at the moment?

Has your income dropped because you're self employed, your hours have been cut or you have been furloughed?

If you don't have enough money to buy essential supplies for you and your family, then help to bridge the gap is available.

GETTING HELP

Local charitable organisations such as Acts of Kindness and Waypoint Church are working hard to help anyone who asks for help, not just the vulnerable.
