

Covid-19 Special Grants Programme

The Council is providing support for various small charitable, voluntary and community organisations who may be struggling due to increased costs or reduced income as a result of Covid-19.

All grants are coordinated by the Department of Leisure and Community and must be used within two years of the award. The Council uses the name of the applying organisation for referencing.

Awarding of Grants

Requests for the Covid-19 Special Grant are approved by the Executive Member for Leisure and Director of Leisure and Community.
