Medical Consent

I give permission to the organisers of any club activities to administer any relevant treatment or medication when or if necessary. In an emergency situation, I authorise the organisers to take my child to hospital and give my full permission for any treatment required to be carried out in accordance with the hospital's diagnosis. I understand that I shall be notified as soon as possible after the original incident and of the hospital visit and any treatment given by the hospital.

It is your responsibility to make known any disability/medical condition that may affect you during the activity, and any medication that they may require. This information will only be shared with those responsible for supervising the activity. Has your child ever suffered from any other following conditions: asthma, bronchitis, heart condition, fits, fainting or blackouts, severe headaches or diabetes?

Seafarers Sailing Club reserves the right to refuse to allow an individual to sail on medical grounds.

Practice Sailing Session Conditions

Practice Sessions are run during the sailing season, usually on Tuesday evenings and Saturday morning. They are open to club cadets and other under-18s who are guests of members. These sessions may not have qualified RYA Instructors present but will be organised and run by suitably experienced club members. These sessions will be cancelled if the weather conditions are not suitable or there are not enough club members present. The Patrol Boat will be on the water for these sessions, but is only able to cover the normal sailing area. All participants (and/or parents/guardians) are expected to assist with the running of these events.

Cruising Sailing Session Conditions

All club cadets and other under-18s who are guests of members may participate in club cruising. Inexperienced sailors may be advised not to sail in certain weather conditions, however the decision and responsibility for sailing rests with the parent/guardian.

Racing Sailing Session Conditions

All club cadets and other under-18s who are guests of members may participate in club racing. Inexperienced sailors maybe advised not to sail in certain weather conditions, however the decision and responsibility for sailing rests on the parent/guardian.

General Conditions

There will not necessarily be a First Aid qualified person available during racing, cruising or practice sailing. However, the club has many First Aid qualified members. There is a list of current First Aid qualified personnel in the club house.

Parents/Guardians are advised that the club is only able to provide Patrol Boat facilities during the hours of club racing, training and practice sailing. Outside these hours, parents and guardians have sole responsibility for their children and wards and must appreciate that the club cannot be expected to exercise supervision or control. Even during racing, the club cannot accept responsibility for children or any other persons, not engaged in racing. A Patrol Boat does not normally accompany a cruise.

Parents/Guardians are to bring and pick up their child(ren) to the Seafarers Sailing Club compound. If another adult is transporting the child(ren), advance warning is required. Parents or guardians must also be contactable (for example by mobile phone) for the duration of the session.

Children under the age of 11 years old, must be accompanied/supervised by a Parent/Guardian at all times.

All under-18s are to remain in the compound except when participating or assisting with sailing or other club organised event.

Seafarers Sailing Club

All participants **must** be confident in the water and must wear a buoyancy aid when afloat except briefly while changing or adjusting clothing or personal equipment. Buoyancy aids that are self-inflating or require inflation by the wearer are not acceptable.

Neither Seafarers Sailing Club nor any of its members shall be liable in any way whatsoever in respect of loss or damage to property.

The club agrees to under-18 guests taking part in its sailing activities on the understanding that any instructions or directions given by the club member in charge of the sailing activity or any member acting on his behalf or the helm of the boat are to be observed.

All participants are asked to respect the equipment provided. Compensation will be sought from anyone deliberately causing damage to equipment.

Seafarers Sailing Club reserves the right at all times to refuse or restrict the use of facilities. The right is also reserved to evict anyone who refuses to comply with the conditions as stipulated, or who behaves inappropriately or, in any way, causes damage or annoyance to any other persons.

Participants are to wear suitable clothing and footwear when going in a boat. Suitable footwear means flat soft soled shoes, trainers or dinghy boots. Participants should bring a change of clothing as they are likely to get wet when sailing.

If any injuries are sustained or damage to valuables occurs, participants are to notify the club's staff immediately.

Consent for Use of Images

I grant to the Seafarers Sailing Club, without payment, the right in perpetuity to make, use and show any motion pictures, still pictures and live, taped or filmed television of or relating to the event.

Conditions of Use of Photography or Video

In accordance with our child protection policy, Seafarers Sailing Club will not arrange for photographs, video or other images of young people to be taken or published without the consent of the parents/guardians and children. If you have any concerns about the way images are being used, you should inform a club organiser immediately. We will abide by the following conditions:

We will normally only identify a child by reference to the child's first name.

We will not use personal details or full names (i.e. first name and surname) of any child to accompany a photographic image on video, on our website, in our organisation brochure or any other electronic or printed publications without good reason. 'Good reason' includes using the full name of a child in a newsletter to organisation members if the child has won a trophy or award.

We will not include personal email or postal addresses, telephone or mobile numbers on video, on our website, in our organisation brochure or in other electronic or printed publications.

We may use group photographs or video with very general labels, such as group training sessions.

We will only use images of children who are suitably dressed.

Photographs or video may be used for coaching purposes or by officials during competition to illustrate incidents on the water.

If you become aware that images are being used inappropriately, please inform the club's Child Welfare Officer immediately.

Seafarers Sailing Club's Child Protection Policy is available on request.

I hereby acknowledge that I have read the above conditions of participation and that I fully understand them. I have explained them to my child/children, who understand(s) and agrees to abide by them. I agree to notify the club of any relevant changes in my child's/children's circumstances. I confirm that my child/children is/are not under a court order. I consent to the club photographing my child/children in accordance with The Seafarers Sailing Club Child Protection Policy.
