2016 SUMMER EVENTS

Welcome to **My Amazing Summer** which is Fareham's go to guide to having the best summer ever. Throughout this guide you will find lots of exciting activities to keep you and your family entertained during the holidays – come rain or shine! With a huge variety of events taking place all over the borough, there is definitely something for everyone.

We hope you find this guide useful and have a fantastic summer!

THE BIG FRIENDLY READ

The Summer Reading Challenge encourages children aged 4 to 11 to read six books during the long summer holiday.

There is a different theme each year and this year it's inspired by the 100th anniversary of the birth of Roald Dahl. Children can read whatever they like – fact books, joke books, picture books, audio books – just as long as they are borrowed from the library.

Every time children finish a book they get special collectors cards put in their collectors wallet and there's a certificate and medal for everyone who finishes.

The Summer Reading Challenge is open to all school children and is designed for all reading abilities. This year we have a reading activity to run alongside the Summer Reading Challenge for pre-schoolers.

For more information and to take part, please visit your local library.
