Subject: Supposed Consultations re Welborne

Sirs,

Given the failure of Fareham Borough Council to consider any point of view other than that of its megalomaniac leader regarding the need for an additional 20,000 people to be added to Fareham WITHOUT ANY ALLOWANCE FOR BACK UP re MEDICAL SERVICES AND AN ADEQUATE TRANSPORT CAPABILITY there is no point in any Resident bothering to take part in a SHAM CONSULTATION PROCESS.

You people will do what YOU WANT no matter how many Council Tax Payers protest against elements or the totality of the complete stupidity that is The Welborne Development.

R A McMillan
