

Don't dump it, donate it!

Before phoning the Council to get rid of your unwanted furniture, why not give a charity a call first?

It's free, **quick and convenient** and can make a **real** difference to people in need.

Smart living

Hampshire's waste prevention and lifestyle initiative

Charities in your area include...

Before you call, make sure that your item:

- Has a fire label attached if it's upholstered
- Is in good, saleable, condition with no rips, tears, missing pieces or large scratches
- Any veneered furniture is intact, with no wood showing through the veneer
- Items not fit for sale or that do not meet health and safety standards may be declined at the point of collection.

If you want to find out more about furniture reuse or lots of other Smart ideas to make the most of your time, money and home check out our webpages at:
