At the meeting of the Council on 25 September, 2003, notice of the following motion was given by Councillor Woodward:-

“Fareham Borough Council is totally opposed to live animals such as birds, fish or reptiles being given as prizes at funfairs and other such events as it believes the ownership of a pet should be carefully thought through and should not occur merely because someone has won it as a prize. Such actions undermine efforts to promote responsible pet ownership and in some cases may actively encourage animal cruelty.

Fareham Borough Council will therefore include a condition on any hire agreement for the use of Council land that prohibits live animals such as birds, fish or reptiles being given as prizes”.

In accordance with Standing Orders, the motion stands referred to the Executive at its meeting on 24 November 2003. This Panel is invited to consider the matter and forward any views to the Executive. Standing Orders also provide that the mover of the motion has a right to attend the meeting of the Panel with the opportunity of explaining the motion.
