

Council Tax Guide 2025/26

Welcome to your Council Tax guide

This brief guide will explain how your Council Tax helps to pay for the services Fareham Borough Council provides across the Borough.

Fareham's Council Tax increase

Following a consultation with residents living in the Fareham Borough, it has become clear that an increase in Council Tax is necessary to ensure that residents continue to receive the same high level of service they have come to expect.

The financial year 2025/26 will see a further one-off settlement from central government even though we have been asking for clarity over our funding and for the opportunity to make our own decisions over setting Council Tax, rather than rely on a percentage increase that is determined centrally.

Last year we were advised that the Fair Funding Review has been deferred until at least the start of the 2026/27 financial year. It will be far-reaching and include areas that fall under Hampshire County Council's remit such as social care and education.

Any changes to funding emerging as a result of the Review will be made for the 2027/28 financial year. As well as potential funding reductions we must also plan for other budget pressures that will see spending increase over the next few years.

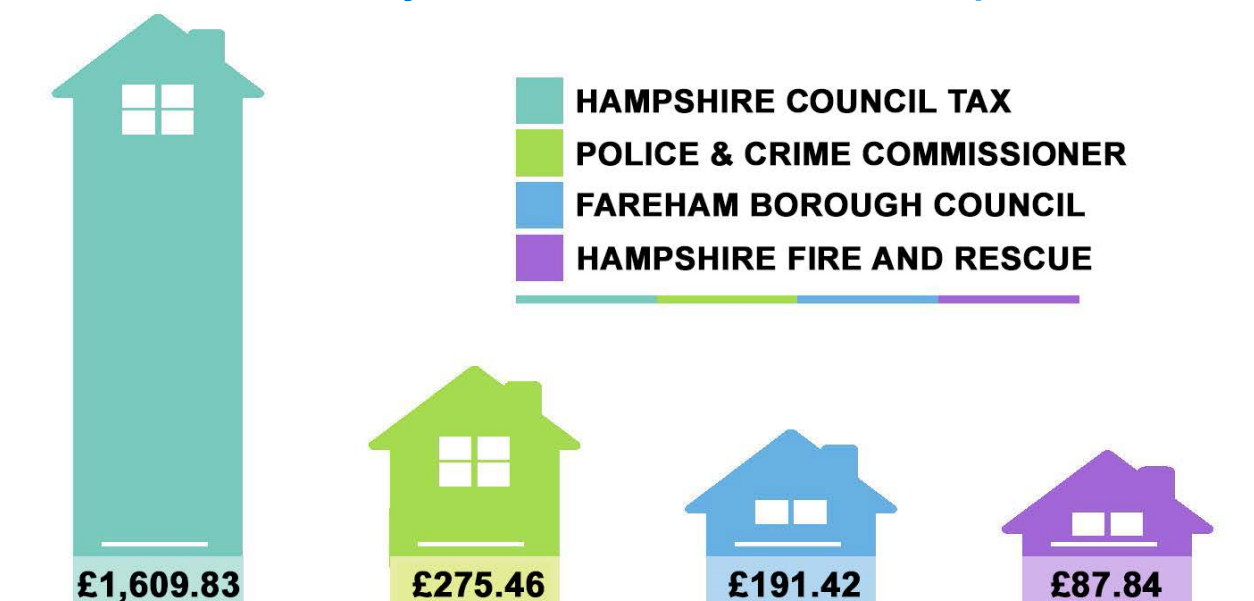

This all comes on top of the current cost of living crisis that has not only seen many households struggle but has also seen this council experience cost increases due to high inflation.

How much of my Council Tax goes to Fareham Borough Council?

Just over 9% of the Council Tax you pay goes towards the services provided by Fareham Borough Council. Fareham's 2025/26 Band D charge of £191.42 (£185.86 in 2024/25) is an increase of £5.56 or 2.99%.

In 2024/25, Fareham had the 2nd lowest Council Tax in Hampshire and the 4th lowest Council Tax across all District Councils in England. This is achieved by running our services very efficiently and by careful financial management.

How your total Council Tax is made up:

Council Tax for a Band D property (the mid Band) in 2025/26 will be £2,164.55

How do we calculate the Council Tax in Fareham?

We produce a Finance Strategy each year. This helps us make spending, borrowing and investment decisions over the next 5 years.

The Council has £5.6 million revenue reserves (money saved to invest in the future), funds balances of £9.8 million and capital reserves of £12.8 million.

These are used to pay for new projects and services, meet any unforeseen costs and to smooth the effect of other financial pressures and changes in Government funding on Council Tax.

However, the Council's funds remain even tighter this year and are likely to be so for the foreseeable future because of economic pressures, the cost-of-living crisis and a lack of clarity over Government funding.

The table below shows the changes to the Council's budget for 2025/26.

COUNCIL TAX SUMMARY 2025/26		Amount per Band	
2024/25		2025/26	D Property
£'000		£'000	£
13,293	Net Expenditure	14,322	321.15
	Less Income:		
-607	Lower Tier Services Grant	-1,255	-28.15
0	Use of Collection Fund Balances	-0	0.00
-4,473	Retained Business Rates	-4,530	-101.58
8,213	Fareham Borough Council Total	8,537	191.42
Add:	Hampshire County Council Precept		1,609.83
	Hampshire Fire and Rescue Authority Precept		87.84
	Police and Crime Commissioner Precept		275.46
	TOTAL		£2,164.55

Good at collecting Council Tax

Fareham Borough Council maintains excellent collection rates for Council Tax. We collected 98.08% of the Council Tax due in 2023/24. This compares excellently with other authorities both in Hampshire and nationally.

Making sure your Council Tax is well spent

Part of your Council Tax funds services provided by Fareham Borough Council such as waste collection and kerbside recycling, street cleaning, housing and community and leisure services.

The table below shows how we spend your money to provide services in Fareham.
