Comments, compliments and complaints

FAREHAM
BOROUGH COUNCIL
At Fareham Borough Council we aim to provide high quality services at all times. To do this we need to hear your views. Whether you want to make a comment, a compliment or a complaint – we want to hear from you.

**Comments**
If you have an idea that you think will help us improve the way we do things or you just want to tell us something.

**Compliments**
If you want to thank someone or just give praise for a job well done, please tell us, we would be delighted to hear from you.

**Complaints**
If you are not happy with the service you have received, let us know. We aim to provide the best possible service. However, if we get it wrong, we need to know about it and will try to put things right as quickly as possible.

---

**Dealing with complaints**
We want to resolve your complaint straightaway and, in the majority of cases, the first person you speak to will usually be able to resolve things for you.

If we cannot resolve your complaint, we have a Corporate Complaints Procedure to be followed. The procedure applies to most complaints, but there are some cases which are treated in a different way. If this is the case, we will let you know.

**Stage 1**
The Head of Service in the department responsible for the service will investigate your complaint.

**Stage 2**
The Director of the department will review your complaint.

If you are still not satisfied with our explanation or resolution, you have the right to contact the Local Government and Social Care Ombudsman at: www.lgo.org.uk
