FAREHAM
BOROUGH COUNCIL

Introduction

The Residents' Survey is carried out every two years. This document provides a breakdown of the responses to the 2013 Residents' Survey. Each question has been broken down, where possible, to provide details of the responses for each Ward within the Borough. The table of contents provides links to each of the questions within the survey.

A decision has been taken to plan for Welborne, a new community north of the M27, with businesses, schools, open spaces and local services. It will help meet Fareham's future housing needs and help stop piecemeal development taking place in the countryside that separates the different communities in the Borough. In principle, do you agree this is the right approach to take?

Which Council Tax option do you prefer? (Please tick only one option)

Ward	Council Tax should be increased in line with inflation each year		People who use services, (e.g. sports pitches and off-street parking) should be asked to pay more for them, rather than increase Council Tax)		The Council should strike a balance between increasing charges to service users and small increases in Council Tax		The Council Tax should be increased by more than inflation to provide even better services		Total
