The Council is collecting your personal information for the purposes of adding your vehicle details onto the Council's Automated Number Plate Recognition (ANPR) system to enable you to enter three barrier operated car parks within the Borough. We will only collect as much information as is necessary to process your application and we will retain this personal information for a period of three years and one month. Your vehicle details will remain on the ANPR system for the length of time your application is current, and it will be deleted one month after expiration of your card, after which time it will be removed from our database. We will share your personal information internally within the Council to enable us to process your application and to enter your vehicle details onto our ANPR systems.

Your information will be shared externally, if required, by law. Further information about your rights and the Council's privacy statement is available on the Council's website at <http://www.fareham.gov.uk/privacy.aspx>, or on request.

I confirm that all the details above are correct and I have seen and agreed to the Conditions of Use.
