Subject: Titchfield Neighbourhood Forum's Neighbourhood Plan.

Titchfield Neighbourhood Forum's Neighbourhood Plan.

Dear Sirs,

- 1) I wish to object to this plan because their proposal to build 153 houses within the plan boundary is a ridiculous amount. Nor do they state where these should be built.
- 2) Titchfield is a conservation area which should never allow this.
- 3) We have an elected Titchfield Village Trust which has represented the village and make Fareham Council aware of issues locally very successfully for decades.
- 4) The Titchfield Neighbourhood Forum is a non-elected operation run [REDACTED]

5) I understand that The Titchfield Neighbourhood Forum has spent **£13,500** producing this report. **What a total waste of money.**

6) [REDACTED]

Yours sincerely
