The Titchfield Village Trust has been looking after the welfare of the village for 50 years. There is no requirement for another body to carry out the same work. In my opinion it would cost yet more money to hold a referendum on top of the money spent already, with £13,500.00 of public money being spent of which £11,000.00 went on consultants who did not know the village.

Q5 What improvements or modifications should be made to the neighbourhood plan?

(You will need to say why this change will enable the Plan to proceed. It would be helpful if you could provide revised wording of any policy or text. Please be as precise as possible.)

I strongly disagree with the Neighbourhood Plan and cannot see any way it would enhance the village.
