I disagree with the Neighbourhood Plan in general. It is unnecessary as the housing limits are already in place from FBC which protects us from inappropriate development. As Titchfield is within the strategic gap known as the Meon Gap it has protection against development under planning policy CS22.

Q5 What improvements or modifications should be made to the neighbourhood plan?

(You will need to say why this change will enable the Plan to proceed. It would be helpful if you could provide revised wording of any policy or text. Please be as precise as possible.)

The TNP should not be adopted. Enough money has been spent on delivering the plan - please don't spend any more.
