Subject: Comments on Titchfield Neighbourhood Forum

Dear Sir,

I have read the paper from Titchfield Neighbourhood Forum with alarm. I disagree with it completely.

This Neighbourhood Forum has been formed just three- four years ago Many of its members have lived in Titchfield and area for a short time.

- 1) I have lived in Titchfield since 1959 and have been a member of the Titchfield Village Trust since its conception. We at the Trust have been delighted that Fareham Borough Council has said NO further building in Titchfield.as building along the A27 has been happening rapidly. There is no space to build inside the village(maybe the odd infill) Therefore why does the Forum want 500 more houses and it gives no indication where they could be built.
- 2) Also it is important to keep the Strategic Gap going towards the shore. The Forum does not seem to understand this.

I urge you to reject the Forum's Plans.

Yours sincerely
