I oppose the plan as I do not wish for a plan to agree to 153 additional houses in the area. The village does not have infill sites available to that capacity therefore it would spread into further open countryside clogging already congested roads. I reject the plan overall as I feel it has been working against some of the objectives of the Titchfield Village Trust, an organisation that is well established and supported by village residents and Fareham Borough Council.

Q5 What improvements or modifications should be made to the neighbourhood plan?

(You will need to say why this change will enable the Plan to proceed. It would be helpful if you could provide revised wording of any policy or text. Please be as precise as possible.)

I have no recommendations as I feel my personal objectives can be met better via TVT or by me raising concerns or issues directly with the relevant council department.
