DCD-35

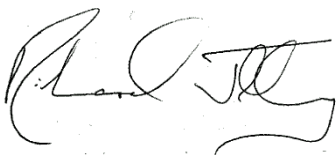

Dear Mr Hogger

Following consideration of your preliminary findings letter, the Council has prepared Main Modifications relating to soundness (DCD-33) as well as Minor Modifications (DCD-34), and published them for a six-week period of consultation between Monday 16th February and Monday 30th March 2015. A brief summary of the responses to the consultation has been prepared by the Council (DCD-36) and copies of the full responses that were received during the consultation period are enclosed.

An accompanying addendum to the Sustainability Appraisal and Habitats Regulations Assessment (DCD-37) setting out the implications of the modifications in terms of the sustainability appraisal has also been prepared.

In accordance with Section 20(7C) of the Planning and Compulsory Purchase Act 2004 (as amended) the Council requests that you recommend modifications to the Plan, should they be required in order to make the document sound or legally compliant.

Yours sincerely

Richard Jolley
Director of Planning and Development
