Dear Representor,

Further to my last update, the Examination Library has been updated to contain a copy of [INSP008 Virtual Hearings Guidance Note](#). If you are participating in the hearing sessions you should read this note carefully. This note also contains information on how to observe the hearing sessions if you wish to do so.

The draft hearings programme, [INSP005B](#), has been updated to include changes in participant information. Please can you check the programme to see if you have been recorded as you wished, especially if you have informed me of any changes since the last version of the programme. If any further changes are needed, please email me immediately.

If you are planning to submit Hearing Statements please be mindful of the respective deadlines and the instructions given in [INSP003](#) on hearing statements. **Please ensure that the matter and topics that you are responding to are clearly highlighted** and all instructions followed. If they are not, there may be a delay in making them available to the Inspector and on the examination webpages.

As always, please ensure you check the [Latest News](#) webpage regularly as this will be updated with important examination news. It is representors' responsibility to keep themselves abreast of updates in the examination as not all information will be sent out in correspondence.

If you have any questions, please feel free to contact me.

Yours faithfully,

Kerry Trueman
