Dear Ray,

RE: Fareham Local Plan

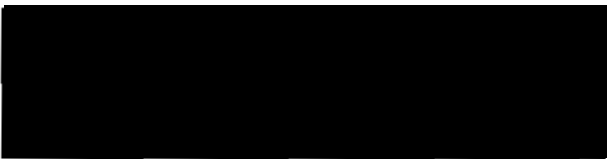

Thank you for your email, dated 29th July 2021, and I hope this letter finds you well.

I sincerely appreciate the time that you have taken to pass on your comments about Fareham Borough Council's revised Local Plan. I understand that the public consultation on the new proposals has since closed, and I look forward to reading the final plan in due course.

~~While I recognise your concerns about the implications of increased annual housing requirements, it~~
is important to remember that these are not binding targets, but simply the starting point for councils to set their own housing targets – factoring in land available and constraints, such as the Green Belt.

Thank you again for taking the time to contact me.

Yours sincerely,

Rt Hon Suella Braverman QC MP

Member of Parliament for Fareham
