Concerning dmm22, DEVELOPMENT BRIEF FOR H7

Dear Sir/Madam,

Since your last consultation period, you should be aware that a planning application, p/14/0341/fp, has been refused for the third time by the Secretary for State. ( January, 2015) This application was for 2 houses at the end of Green Lane, SO31 9JJ, which are considered as part of H7 and were using Green Lane for access to the build.

I have attached the Inspectors report on this in case Fareham Borough Council neglects to bring this forward at your meeting, as we feel that it is important in our case, that so far has been supported by yourselves, that H7 should have no access rights through Green Lane.

Thank you.  
Yours faithfully,

Lesley Stevens  
Co Chair, Green Lane Residents association
