Dear Claire

Fareham Draft Local Plan 2036

Thank you for contacting Havant Borough Council on the Fareham Local Plan 2036.

Our two Councils have a strong history of successful collaborative working on projects, including through the Partnership for Urban South Hampshire (PUSH).

Given the high need for development and the geographical position of our two local authorities adjacent to the city of Portsmouth, it is essential that we authorities positively, cooperate together in order to meet the National Planning Policy Framework's (NPPF) requirement to "*support the Government's objective of significantly boosting the supply of homes*" and ultimately meet the need for housing in the area. We will shortly be meeting on 7 August to talk about our respective Local Plans in more detail. We may submit further informal views on the proposed approach that Fareham Borough Council are looking to take.

I look forward to continuing our positive working relationship. This will mean that, collectively, we can address the challenges of housing need and affordability to the benefit of future generations.

Yours sincerely
