* Only agents need complete organisation box.

Part B – Comment section for Main Modifications

You will need reference to the following document to make a comment:

- Schedule of Main Modifications proposed to the Welborne Plan

Representations should relate only to the Main Modifications and should not seek to repeat previous representations or request further changes to the published plan. Representations on Main Modifications need to focus on the grounds of soundness and legal compliance as set out in National Planning Policy Framework – namely that it is:

- **Positively prepared** – the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development;
- **Justified** – the plan should be the most appropriate strategy, when considered against the reasonable alternatives, based on proportionate evidence;
- **Effective** – the plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities; and
- **Consistent with national policy** – the plan should enable the delivery of sustainable development in accordance with the policies in the Framework.

Which Main Modification(s) do your comments relate to?

Please provide comments on why you consider the Council's proposed Main Modification(s) to the Welborne Plan (as you have specified above) to not be legally compliant or unsound.

IF – and only IF – anybody reads this, I consider a 50m buffer zone between houses and the motorway is simply not enough! It should be at least 200m.

I live only ten minutes away from the motorway and the southern boundary of the proposed development and am well aware of noise levels (not to mention pollution) which have increased tremendously since we came here twenty-eight years ago. (Here again another broken promise to have it resurfaced with a quieter material). So, for families only 50m away, I know, it would be horrendous.

I was at the Council meeting on the 19th January and saw how every slight opposition to an amendment was swept aside. Where did the 50m buffer zone come from?? As residents we will probably never know.

My neighbours, friends, Fareham residents – all of us – really DO NOT WANT Welborne. It is far too large and right on our doorstep!

The whole concept is not sound for the residents.

IT'S NOT FAIR ON US!
