- Schedule of Main Modifications proposed to the Welborne Plan

Representations should relate only to the Main Modifications and should not seek to repeat previous representations or request further changes to the published plan. Representations on Main Modifications need to focus on the grounds of soundness and legal compliance as set out in National Planning Policy Framework – namely that it is:

- **Positively prepared** – the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development;
- **Justified** – the plan should be the most appropriate strategy, when considered against the reasonable alternatives, based on proportionate evidence;
- **Effective** – the plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities; and
- **Consistent with national policy** – the plan should enable the delivery of sustainable development in accordance with the policies in the Framework.

Please provide comments on why you consider the Council’s proposed Main Modification(s) to the Welborne Plan (as you have specified above) to not be legally compliant or unsound.

As a resident and rate payer of Fareham for the past 53 years, I feel it is my duty to add my voice to the mass of reasonable residents and protest against the ludicrous proposal of a 50 metre buffer between Fareham and the so called eco new town of Welborne. Indeed when I first read about the buffer zone, I presumed it was a misprint and should have read 500 metres. According to a letter to The News (Shaun Cunningham Jan 27th) the actual author/s of the 50 metres buffer zone appear to be unwilling to be named. Are they therefore ashamed of the fact that they have such little feeling for their fellow residents by voting down any reasonable compromise?. Perhaps the only answer is the ballot box. However, I would wish at this time to thank Councillors Mr & Mrs Bryant for their continued support in what appears to be an uneven battle for common sense. I would be interested to know of any other town where you are able to kick a football without it bouncing into the next town or have the goal posts been changed and Welborne is just an extension of Fareham?
