**To:** Planning Policy  
**Subject:** Comments on Welborne Modifications

>  
> I have read the documentation and do not feel that the modifications  
> proposed by Fareham address many of the issues raised by the inspector.  
>  
> In particular, I am concerned that the issue of the additional traffic  
> travelling on the A32 and the impact on the village of Wickham has  
> not been properly addressed. I rely on the A32 for both work and  
> leisure travel and it is already very busy.  
>  
> Nothing I have read concerning the phasing of the new housing, the  
> timing of the new motorway junction well into the project and the  
> rather vague changes to the A32 have given me any confidence that  
> the A32 can cope with the new pressures from Welborne.  
>  
> I am also concerned that the proposed settlement buffers are  
> insufficient to allow Funtley and Wickham to retain their identities.  
>  
> Thank you
