

I was passing and noticed your roof needs repairing

I'm from the police, can I come in and talk to you?

We've lost our dog, can we use your phone?

I'm from the water board, there's a leak in your street

WHO WILL CALL ON YOU TODAY?

What would you do if one of these people called on you at home? Doorstep criminals will use excuses to enter your home to steal, or charge inflated prices for "repairs"

- Look after yourself and older neighbours
- Always use your door chain or spy hole
- Always make sure your back door is locked
- Never employ passing traders
- Talk to your energy supplier about the Priority Services Register
- Police need to know about unwanted/suspicious doorstep callers
