Christmas tree Collection

In early 2024, we will be offering a free Christmas tree collection service for all households. Between 8-19 January, on your normal recycling day only, one Christmas tree per property will be collected. It should be left whole next to your recycling bin.

Outside this period, Christmas trees will only be collected by the garden waste service. Subscription to this service is required and trees must be broken up and placed in the garden waste bin.

To sign up to our Clip and Collect garden waste subscription service, go to www.fareham.gov.uk/gardenwaste
