Christmas and New Year Refuse and Recycling Collections

Over Christmas 2021 and the New Year period, all bins will be emptied on your usual collection day. Please make sure your bin is out by 6am.

In early 2022, we will once again be offering a free Christmas tree collection service. Between 10-21 January, on your normal recycling day only, one Christmas tree per property will be collected and should be left next to your recycling bin. In future years, Christmas trees will be collected as part of the new garden waste subscription service.

If you need to report a problem, or you have any questions, please visit www.fareham.gov.uk or contact us on 01329 236100.

- Put out your blue-top **recycling** bin and your brown-top **garden waste** bin (subscription only).
- Put out your green top **refuse** bin.
- On Bank Holidays your bin will be emptied on the usual day. This includes Christmas 2021

Garden Waste Collection

Free garden waste collection is ending in December 2021. Your last free garden waste sack collection will be on your usual collection day between 6-17 December. A new subscription-based garden waste service will commence from 7 February. To sign up or find out more go to www.fareham.gov.uk/gardenwaste.
