# Notes to Accompany Tree Works Decision Notice

**Further information:**

1. The works subject to this notice shall be carried out within two years from the date of this consent – therefore by 23/11/2028 after which a new notification shall be given to the Council.

2. At least five days prior notification of the commencement of tree work shall be given in writing to the local planning authority.

3. This consent does not grant the applicant the right to carry out work over property other than his/her own without the agreement of the owner; it is advisable to obtain this agreement in writing.

4. Special care must be taken not to disturb wild animals and plants protected by the Wildlife and Countryside Act 1981 (as amended). This includes birds and bats that nest or roost in trees. Contact Natural England for further advice - 023 8028 6410 www.naturalengland.org.uk.

5. Bats are protected under the Conservation of Habitats and Species Regulation 2010 as amended and it is an offence to deliberately or recklessly disturb them or damage their roosts. Trees should be inspected before any works commence and if the presence of bats is suspected advice will need to be sought from Natural England via the Bat Line on 0845 1300228. Further advice on bats is available from The Bat Conservation Trust (020 7627 2629).
