Planning Application Ref: P/26/0897/FP

Decision Date: 18th September 2026

General Notes for Your Information:

- The approved documents can be obtained by viewing the submitted application online at www.fareham.gov.uk/planning
- The Council worked positively and proactively with the applicant and their agent to address any issues which came up during the course of the application being considered.
- Please contact the officer who handled this application Emma Marks on 01329 824756 or at emarks@fareham.gov.uk if:

 - You would like to make changes to your permission
 - You are unhappy with this decision or the way it has been reached

Biodiversity Net Gain:

- The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for development of land in England is deemed to have been granted subject to the 'biodiversity gain condition'.
- There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply (for further information please visit <https://www.gov.uk/guidance/biodiversity-net-gain>).
- Based on the information available the local planning authority considers that the biodiversity gain condition does not apply to this permission because one or more of the statutory exemptions or transitional arrangements is considered to apply.

Right of appeal:

- The person who made this application has the right to appeal to the Secretary of State against the imposition of any of the conditions this permission is subject to.
- The Secretary of State may decide they will not consider an appeal if it seems to them that, due to statutory requirements, the local planning authority could not have granted permission without the conditions being imposed.

- Appeals must be made within 6 months of the date of this decision notice.
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- Appeals are handled by the Planning Inspectorate on behalf of the Secretary of State. Appeals must be made using a form which you can get from:
 - The Planning Inspectorate, c/o QUADIENT, 69 Buckingham Avenue, Slough, SL1 4PN;
 - Or submit online at The Planning Inspectorate website at
 - www.gov.uk/planning-inspectorate
- There is no third party right of appeal for neighbours or objectors.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Purchase Notices:

- If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that the owner can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase the owner's interest in the land.

What to do next:

- Please take note of the conditions this permission is subject to. If these conditions are not met, for example if works are not carried out in accordance with the approved documents, the Council has the ability to take enforcement action where necessary.
- This permission relates to town planning. You should also bear in mind the following matters:
