- Carry out site inspections and make records of work in progress.
- Meet and liaise with a range of customers including Architects, Designers, Builders and the Public.
- Liaise with other area teams to ensure the continued success of the partnership
- Provide technical guidance and advice on a number of issues.
- Provide day to day operational supervision of District Building Control surveyors and support staff in an area team
- Champion the provision of consistent, high quality services focussed on client requirement.

Who is the Person?

It is important to us that you have:

- A qualification to BSc Building Surveying Degree level with full membership of RICS, MABE or other equivalent qualification.
- Excellent interpersonal skills
- A customer orientated approach
- Some experience of managing staff
- A mature attitude and ability to work on your own initiative
- A sound knowledge of Building Control legislation
- Excellent ICT skills
- A full valid UK Driving License
- The ability to work flexibly and out of normal office hours as required
